ENGRAVED BRICKS

As Maple Heights prepares to open the brand new High School in the Fall of 2012, you can forever be a part of the building.

In the area between the new school and the current Athletic Center, there will be the new “Mustang Corral”, a courtyard area for people to spend time in. A section of this area has been designated for engraved bricks.

The engraved bricks make wonderful gifts for birthdays, anniversaries, graduations, retirements and memorials. The engraved bricks are a great form of advertising for local businesses. You may also add a symbol to your brick to make it stand out from the rest.

Profits from the sale of the engraved bricks will go to the Maple Education Foundation for scholarships and teacher grants.

Thank you for becoming part of “Mustang History”. Your support is appreciated.
