

School Based Health Care Mobile Unit for *2021

The Maple Heights City School District is partnering with the Cleveland Clinic to offer the Cleveland Clinic Mobile Unit to our students/families.

Parents must fill out Cleveland Clinic Enrollment Packet in advance of the date. You can pick up the Cleveland Clinic Enrollment Packet in the main office at your child's school. If you have insurance, Cleveland Clinic will bill your insurance for the visit. If your child does not have insurance, a Cleveland Clinic financial counselor will contact you to explore possible assistance options within one week of receipt of the enrollment packet. As long as an enrollment packet is completed, the parent/guardian does not need to be present for their child to be seen by Clinic staff.

Call your child's school for more information!
